**PRINCIPAL PURPOSE:** To obtain records for investigating and determining an individual's initial or continued eligibility for access to classified national security information or assignment to positions with sensitive duties, suitability for enlistment or appointment into military service, suitability for federal employment, fitness for assignment to work under contract for or on behalf of the government, or eligibility for physical or logical access to U.S. Government systems or facilities. DCSA may also conduct other background investigations as authorized by law, designation, rule, regulation, or Executive Order.

A complete list of the routine uses can be found in the system of records notice for the Department of Defense Personnel Vetting Records System DUSDI 02-DoD at: <https://www.federalregister.gov/documents/2018/10/17/2018-22508/privacy-act-of-1974-system-of-records>.

**DISCLOSURE:** Disclosure is voluntary. However, failure to provide DCSA the requested information may result in our agency's inability to conduct a thorough investigation and may prevent the government from making a determination regarding the qualifications, suitability, eligibility or fitness of the individual being investigated. The information collected will be used to conduct investigative work and may be furnished to other government agencies as warranted, and to the individual investigated upon his or her request unless otherwise exempt.

**CERTIFICATION:** The requesting agency certifies the individual we are investigating has given written consent for this investigative inquiry.
