## Our Mission

Child and Youth Programs

Our mission is to assist Department of Defense (DoD) military and civilian personnel in balancing the competing demands of the accomplishment of the DoD mission and family life by managing and delivering a system of quality, available and affordable programs and services for eligible children and youth birth through 18 years of age.

## Fees and Charges

Weekly fees are based on total family income. Fee categories are established by AF HQ and may be adjusted annually. Fees are not prorated for federal holidays, emergency facility closures, and/or absence of the child.

## Child Development Center

The Child Development Center provides developmentally appropriate experiences for children 6 weeks to 5 years. Children of military and Department of Defense civilians (both civil service and Nonappropriated funds) are eligible to participate. A waiting list is established once the program has reached its capacity. Openings are filled based on a priority system established by the Air Force.

Our philosophical approach is grounded on current research and knowledge of early childhood education. We are committed to welcoming children and families, supporting and partnering with them in their parenting role. Children are valued as individuals as well as part of a group. Likewise, our program respects and supports the ideals, cultures, and values of families in their task of nurturing children. We advocate for children, families, and early childhood professionals within our programs.

## Family Child Care

The Family Child Care (FCC) Program offers a viable option for childcare to military and civilian families. FCC provides spouses an opportunity to operate their own business, set hours of operation, be with their own children, and care for other children at home. The FCC staff trains and helps licensed providers provide quality, affordable and reliable childcare in a safe and healthy environment for children 2 weeks to 12 years of age in on-base privatized homes or affiliated off-base homes.

### Extended Duty Care (EDC)

Care is offered for hours beyond the standard 50 hours of childcare per week. Currently the EDC provides FREE childcare for parents working extended duty hours due to mission requirements.

### Deployment Care

AF FCC ECC offers three types of childcare to support deployments: Pre-Deployment Child Care (PDCC), Deployment Child Care (DCC), and Returning Home Care (RHC). The PDCC and RHC programs provide 16 hours of childcare per child, while the DCC provides 16 hours of childcare per child per month during the deployment.
