We understand that we are a special interescope of any official capacity as officers, employed understand that is not are personally liable for any and all issues to federal government responsible and/or liable.	ployees or agents of the federal government of a federal entity and that we the members that can or may arise. In no way is the
	X
	Name: Private/Unofficial Organization President

NOTE: This form requires the signature of all *active members*.

Example: For squadron booster clubs, the entire squadron does not need to sign because the entire squadron isn't part of the organization. Organization members are only those who volunteer to become a part of the organization on an unofficial, non-work related status, and accept the risk of personal liability by being a member.
